

## 82m Project Graceful collaboration is showing results

Member of the owners team, **Dörries Maritime Services** (DMS) announces that delivery of 82m Project Graceful is well underway for end of 2013.

The yacht is currently being completed at the Blohm & Voss facilities in Hamburg with the support of a multitude of subcontractors.

“The owner’s wish to collaborate with **Blohm & Voss** has turned out to be a winning solution for both yacht owner and shipyard”, says Werner Doerries, Ceo of Dörries Maritime Services.

Thanks to the combined project management team, consisting of the Owner’s representative supported by DMS and selected Blohm+Voss staff, the build time of this full custom yacht will be just about 3 years at delivery.

Designed by [H2 Yacht Design](#), unique features include an impressive 15m x 3m indoor pool with raising floor, aswell as a 2,9 t approved helicopter deck. Accommodation consisting of a duplex master cabin that extends over lower and main deck, two VIPs cabins and three guest cabins are layed out for a total of up to 14 guests with 24 crew.

The 82m steel and aluminium yacht is classed to Lloyd’s SS Code and MCA LY2. With the power of twin 2300kW MTU engines a top speed of 18 knots and a range of up to 6,000 nautical miles at 12 knots are expected.

Dörries Maritime Services is looking forward to the completion of the yacht and future joint ventures.
